

Year 6 - Achievements and legacies

As historians we will:

Study the development of achievements and legacies throughout British history.

As writers we will:

- Write stories that contain mythical, legendary or historical characters or events
- Write stories of adventure based on events in history
- Present information in a variety of ways to inform audiences of our findings.

As mathematicians we will:
Calculate the passing of time

As artists we will:
draw and paint images of some of the achievements and legacies we study

Enrichment opportunities:

- Local business visits
- 'Invention' fair

What is a legacy?

Are all achievements/legacies good?

What do you want your legacy to be?

What is the best achievement in human history?

Environment

As people concerned with our environment we will:

Explore how the world has been affected by human existence.

Enterprise

As enterprising people we will:

Research how individual inventions have had a positive impact on our everyday life.

Spiritual and Moral

In our spiritual and moral development we will:

Consider the positive and negative implications of modern technology.

Communities

As members of a community we will:

Think about how our own small achievements can lead to legacies.
