

Year 3 – How Can We Reach For the Stars?

As **writers** we will:

- Write a persuasive letter about why all genders and ethnicities should be given equal opportunities in the work place.
- Write explanations about how rockets work.

As young people concerned with Personal Social Health and Citizens Education we will:
Challenge stereotypes
Discuss career opportunities and the Big 13 life skills.

As **designers** and we will:

- We will create a rocket and launch it.
- Design and make products to sell for our 'Make £5 Blossom' project.

As **coders** we will:

- Learn how to control a microbit
- Design, evaluate and improve our projects developing resilience.

Key Questions

How does effort create opportunities?

How can we achieve anything we want to?

How will my life skills help me?

Enrichment opportunities:

- Model Making Workshop-Rockets
- Make £5 Blossom
- School play

Enterprise

As enterprising people we will:
Be determined to raise money in creative ways for our 'Make £5 Blossom' project.

Spiritual/Moral

In our spiritual and moral development we will:
Discuss the stereotypes around different job opportunities.

Communities

As members of a community we will:
Reflect upon the different aspirations in our classroom and how we will help others achieve their goals.
