### Schools COVID 19 update

Dear Parent/ Carer

I am sure you will understand that our plans are changing day by day!

#### For pupils who are accessing our emergency childcare provision

Following the government announcement last night we are having to alter our the **emergency** childcare provision for children of key workers who have no alternative childcare.

As a trust we are operating on skeleton staff and therefore have taken the decision to merge our settings so we are able to continue to offer this critical service.

From **Wednesday 25<sup>th</sup> March 2020** pupils from Thoresby, Pearson and Collingwood will access **emergency childcare provision at Collingwood Primary School.**

The timings and other arrangements will continue as normal;

- We will be providing a breakfast club from 8 am
- School lunches will be available with Free School Meals for those who are entitled to it
- There will be no after school clubs, the provision will close at 3.00pm

If you are not the person who picks up your child, please remember to let your provider know that arrangements have changed.

#### For pupils who are currently at home

Each individual school will continue with their home learning plans and will contact you separately.

Free school meals (grab bags) will continue to operate for pupils in receipt of Pupil Premium. If your child is in the Foundation Stage, Year One or Year Two and you think you may qualify for a free school meal, but are not currently registered, please contact your home school to register.

If you are in receipt of free school meals but are currently 'self-isolating' or have symptoms, please contact the school.

Please contact the Collingwood School Office on 01482 331914 before 9.30am to order a lunch. You will then be able to pick up a 'grab bag' between 11.30-12.00pm from the school entrance.

Thank you for bearing with us during this national crisis.
