How do we investigate and interpret the past?

Can we build an overview of world history?

Key questions

Do we understand chronology?

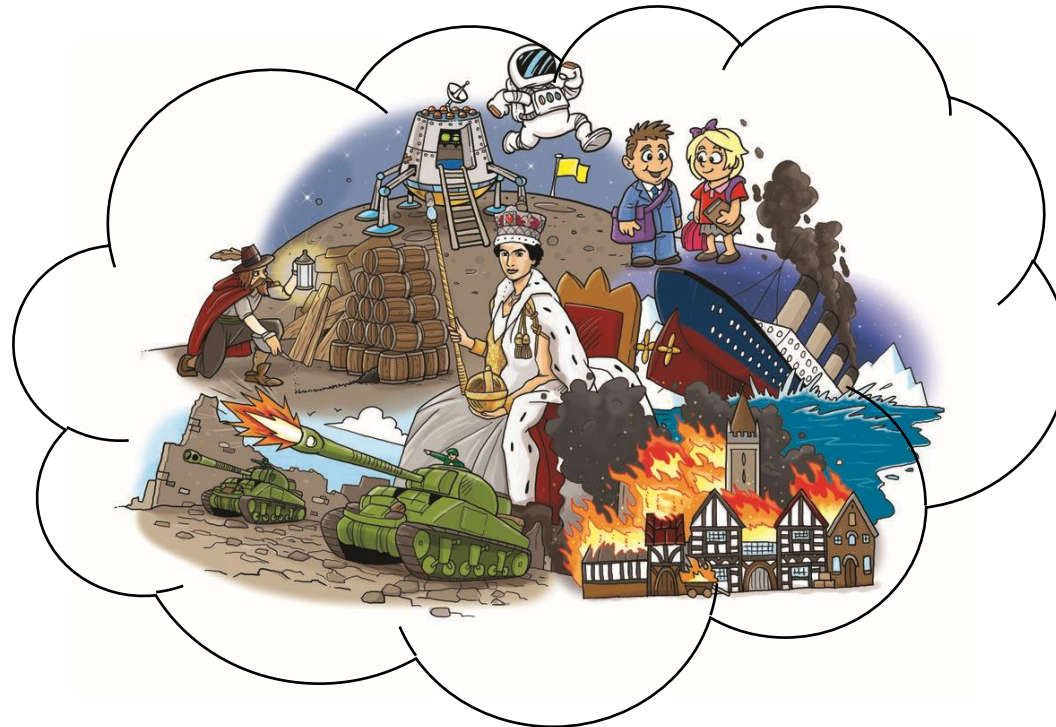

Can we communicate historically?

## Environment

As people concerned with our environment we will:  
Understand the importance of fire safety within the city and countryside and how events have shaped this.

## Enterprise

As enterprising people we will:  
Raise money for Royal British Legion by selling poppy themed crafts

## Spiritual and Moral

In our spiritual and moral development we will:  
Investigate how British values have changed through events in our history (Democracy)

## Communities

As members of a community we will:  
Show our respect at a war memorial service
