Dear Parents/carers,

Please follow the Drop Box link on the Year 4 Remote Learning Timetable which will immediately take you to a folder full of resources for that particular week of learning. Some of the work will be done in the children's books or on Purple Mash/Computer. Alongside the weekly timetable, please make sure that you take full advantage of Purple Mash, Spelling Shed and Times Tables Rock stars. Your child should already have their log ins for these sites.

We hope that you find the timetable and weekly work useful. We look forward to seeing some of the children's work on Twitter or Class Dojo! We will be in touch.

Stay safe!

Dojo Work Portfolios!

At the moment, we only have a few children posting their amazing work on their Dojo portfolios.

Please get the children to use their child's Dojo log in so they can post their work onto their portfolio. They can post a picture of their work, type straight onto their portfolio, draw or even record a video. Posting work on the child's portfolio allows the teacher to create a bank of evidenced work and it also allows the teacher to provide feedback on the child's work.

Remote Learning marking expectations

On the timetable you will also see that next to some lessons is an * = In depth feedback given to your child when work is submitted via Class Dojo portfolio for these particular lessons.

Work with an asterix on the timetable will receive a written response and feedback. Other work is still looked at and acknowledged with a symbol. In these instances the teacher is still assessing your child's understanding and using the information to plan future lessons.
