World Book Day at Sirius North Academy **2.3.22**

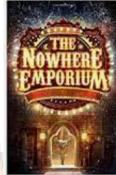

Science Day at Sirius North Academy **17.3.22**

Curriculum Overview– Year Spring 2022

English

This term we will develop our writing skills by exploring stories. We will be creating and writing our own 5 part stories focussing on suspense and interesting language choices. We will develop our fluency, retrieval and inference skills when reading our focus text this term:

The Nowhere Emporium by Ross Mac-

Maths

As mathematicians, we will learn about fractions. We will continue to learn more about division and multiplication and how these skills can support us when working with fractions.

We will also develop our knowledge of shape, space and measure in different contexts.

Science

As scientists, we will learn about properties of different materials. We will explore why materials have been chosen for a specific purpose and look at how they change by carrying out a range of experiments.

Geography

As geographers, we will learn about Market Towns and the features and location of the Yorkshire Wolds.

History

As a historians, we will learn about the inventions of the Stone Age to Iron Age.

Art

As artists, we will explore the key techniques used in metal work during the Iron Age. We will develop our mastery of using different patterns and textures in clay and plaster, working towards our final piece of Iron age jewellery.

D&T

As design technologists, we will design and make a moving vehicle. We will explore different ways they can be powered.

Computing

In computing, we will be learning about E-safety focussing on the key areas of 'Online Relationships'. We will be thinking about the way we communicate with others online and how we can maintain a healthy online community.

RE

In RE, we will be asking the question 'Is forgiveness always possible?'. We will be focussing on the Easter Story and Christianity.

Spanish

In Spanish, we will learning how to talk about family and the weather.

PSHCE

Our themes for this term are 'Healthy Me' and 'Relationships'.

PE

As sports people we will learn and practice skills needed for Gymnastics. We will also learn the skills of attacking, defending and shooting in football.
