2022

Class Information Sheet

PE

Your child will have PE twice a week. Please bring in a pair of shorts, leggings or jogging bottoms to change into for gymnastics lessons. Any jewellery should be removed and please ensure that sensible footwear is worn on these days.

Homework

Homework will be set each Friday, to be completed by the following Thursday. Children will receive a paper copy of their homework and at times will be directed towards their SATs booster packs.

PE

6KF—Monday and Wednesday
6P—Tuesday and Friday
6HK—Wednesday and Thursday

Water bottles

Please send your child to school with a water bottle daily.

Reading

We expect the children to be reading daily where possible. Each child will have access to a reading book from school (either a phonics book or a colour banded book).

Dates for the diary

E-Safety week **WB 7.2.22**
E-safety Day **8.2.22**
School closes **16.2.22**
School Reopens **1.3.22**
School closes **8.4.22**

Curriculum Overview– Year 6 Spring 2022

English

As writers we will improve our spelling, grammar and punctuation skills whilst learning about and writing non-chronological reports.

In reading, our learning will be based on the text *Cirque Du Freak* by Darren Shan.

Maths

As mathematicians we will continue to develop our problem solving and number skills in a range of different ways. We will also be looking at fractions in depth and exploring the relationship between fractions, decimals and percentages.

Science

As scientists we will learn about Living Things and Their Habitats. Our lessons will teach us about classification keys, the famous scientist Carl Linnaeus, vertebrates and invertebrates and microorganisms.

Geography

As geographers we will learn about New York City. Our enquiry question will be: Can New York really be called the Empire City. We will draw upon prior knowledge of what an empire is and explore the physical and human geography.

History

As historians we will continue to learn about the Romans. We will focus more on how successful the Romans were as invaders and learn about their roads, structures and aqueducts.

Art

As artists we will study the work of different artists, architects and designers in history. We will explore a range of techniques and different mediums.

D&T

As design technologists we will explore how mechanisms help us. We will use study different mechanisms by exploring, researching, constructing and evaluating.

Computing

As computer scientists we be focussing on staying safe online and we will be delving into the world of databases.

RE

Our learning will be based around this question:
Is anything ever eternal?

Music

As musicians we will appraise, sing and create music. Our learning will be inspired by the key question: How does music improve our world?

PSHCE

Our PSHCE themes are 'Healthy Me' and 'Relationships'.

PE

As sports people we will take part in gymnastics, netball and handball lessons. We will work on our routines and improve our game tactics.
