

# Class Information Sheet

## Year 2

### Summer Term

During this term the children will be learning about a local heroine—Amy Johnson. They will also be finding out about the impact she made to aviation and about one of her most famous destinations-Australia. In Science this term will be learning about plants and animal habitats.

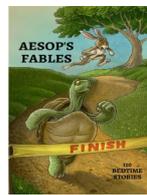

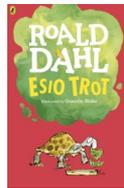

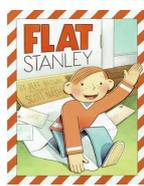

Some of these they may find in Australia! We will be writing or own Aboriginal 'Dreamtime Stories' using artwork as inspiration.

We also look forward to our upcoming Kaleidoscope festival when we can show you some of our learning.

# Curriculum Overview

## English

This term we will use these texts to support our learning. We will develop our comprehension skills and write using a range of genres.

## Maths

As mathematicians we will follow the maths curriculum, particularly calculations and fractions.

data handling

This pictogram shows favourite colour liked yellow or blue?

## Geography

As a geographer we will learn about Australia and its physical and human features. We will also be looking at weather in hot and cold places and know the seven continents and the oceans of the world.

## History

As a historian we will learn about the life and achievements of a local heroine— Amy Johnson.

## Computing

In computing we will use new found skills and knowledge to improve our word-processing skills.

## RE

The RE theme is 'What do I believe is important?' We will start by looking at how the Torah shows what is important to Jewish people and then we will look at other faiths and their teachings.

## Mus

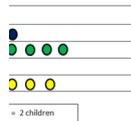

As musicians we will be composing and performing Kaleidoscope.

# Year 2 Summer 2022

## Maths

We will be consolidating the Y2 curriculum, particularly place value, multiplication and division. We will also be looking at probability and statistics.

avourite colours in a class. How many children

## Science

As scientists we will continue to learn about plants, observing and describing how seeds and bulbs grow into mature plants. We will also study a variety of animals within their habitats, and animals food chains.

## Art

As artists we will look at how photographs can be transformed into 2D and 3D forms.

## D&T

As designers we will design a t-shirt. We will be investigating logos and how we can add or attach images to textiles.

## Music

We will be rehearsing and performing songs for our school assembly.

## PSHCE

Jigsaw themes are: Celebrating Differences and Changing Me.

## PE

As athletes we will learn and practice skills needed for our Sports Day through our run, jump, throw topic and our games skills through cricket.

# Class Information Sheet

## PE

Your child will have PE every Monday and Tuesday afternoon. They do not need to have a PE kit. Please make sure your child has sensible footwear on this day and any jewellery is removed.

## Homework

The children will have spellings that will be sent out weekly based on Year 2 NC Spelling curriculum. They will be tested on a Friday. Your child will also receive a weekly piece of maths work. Topic related homework will be given out when necessary.

## Reading

Please continue to read together daily. Your child will continue to receive a decoding or bookbanded reading book and one to share from the class library. These books will continue to be given out on a Friday and are required back on a Wednesday, Please encourage your child to visit the local library.

## Sunny Weather

Please provide your child with a water bottle. This is to be taken home daily to be replenished. Please ensure they also have a summer hat and suncream on in the sunny weather.

## Kaleidoscope Fortnight

Monday 16th May—Thursday 26h May

The theme is 'What makes a hero?' We will be learning about the life of Bessie Coleman—an American of African and Native American descent who wanted to be a pilot. At the time Bessie was alive, black people and women were not allowed to fly a plane in America. We will learn about how Bessie challenged the discrimination she faced against her race and gender to enable her to accomplish her dreams of becoming a pilot.
