Calendar of Character

Focus for week beginning 16th October

Effective Communication

Key Points

- Listen carefully to others.
- Make the right word choices.
- Remember your manners (please & thankyou)
- Be able to give and receive feedback from others.

Ideas from 5M

I listen carefully to my teacher and I ask politely for help if I need it - By Imisi.

Me and my friends talk to each other about things we enjoy and how we are feeling - By Eliza.

When I see someone who looks upset, I can communicate effectively and use my words to ask if they are ok and help solve any problems they may have - By Mia.

Discussion points / questions to consider:

- How might what I'm saying appear to others?
- Is what I am saying kind to those around me?
- Could I help others with my choice of words?
- Can talking to others help me solve a problem?
- What other character skills can help us show effective communication?
