Calendar of Character

Focus for week beginning 27th November

Resilience

Resilience is the ability to bounce back after challenges and tough times.

Resilience develops when children experience challenges and learn to deal with them positively.

You can help your child learn skills and develop resilience by having a warm, supportive relationship with them.

Ideas from 3BC:

'I was resilient this morning. I fell on the pitch but got myself up and went again.' - Freddie D

'Resilience is when you feel like something is difficult but you keep going.' - Olivia

'Once I was practising cartwheels and I kept trying and trying until I got it right.' - Angel

Polite Reminder:

Please ensure children have their water bottles with them when they come to school.

Attendance and Holidays

Please be aware that we cannot authorise any holidays that are taken during term time and that the local authority will be required to issue a fine for holidays taken during this time.

We hope our Year 2 community enjoyed a great morning making ferris wheels as part of our D&T project. Thank you to all those who attended. We hope you like our results 😊

Please remember that we strive to be a nut free school so please make sure you check the ingredients in your child's packed lunch.
