# Curriculum Overview– Year 4 Spring 2024

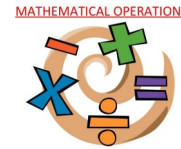

## English

This term we will use this texts to support our learning. We will develop our comprehension skills and write our own dilemma story. Later in the term, we will write explanation texts.

## Maths

As mathematicians, we will be focusing on fractions and statistics. Also, we will develop our understanding of the 4 operations and solve problems related to these.

## Science

As scientists, we will learn about electricity, exploring circuits, conductors and insulators. We will also study sound where we'll find out about vibrations, pitch and volume.

## Geography

As geographers, we will learn about different types of settlements. This will include a visit to the village Cherry Burton after Easter.

## History

As historians, we will learn about the effect of WW2 on ordinary people. We will be learning about life on the Home Front including rationing, evacuation and the Dig for Victory. We will be visiting Eden Camp after Easter.

## Art

As artists, we will explore key pieces of work by Hannah Hoch and Raoul Hausmann before creating photomontages, monoprints and collages inspired by their work.

## D&T

In design and technology lessons, we will be adapting a recipe to bake different flavours of biscuits. We will also be designing and assembling a book jacket.

## Computing

In computing, we will be programming a screen turtle and looking at how to log data and information.

## RE

In RE, we will be looking at people who inspire us. This involves exploring what altruism is and studying different saints.

## Music

As musicians, we will be learning to play recorders under instruction of The Hull Music Service.

## PSHCE

This term's themes are healthy me and relationships.

## PE

In basketball, we will practise a range of skills such as passing, dribbling and shooting. As gymnasts, we will compose and perform our own routines.
