

Class Information Sheet

Year 6

Summer Term

Curriculum Overview

English

As writers, we will improve our spelling, grammar and punctuation skills by writing narrative, explanation and persuasive texts as well as poetry.

In reading, our learning will be based on the text, *Floodland* by Marcus Sedgwick.

M

As mathematicians, we will
by continuing to develop
number skills in a range
looking at real-life math
children for the K

Geography

As geographers we will learn that Copenhagen is a sustainable city and this is really important in helping to combat climate change.

History

As historians we will learn about the Ancient Mayans and their civilisation. We will be looking at the archaeological evidence and art from the time which provides us with a lot of information.

Kaleidoscope

'Unity'

During Kaleidoscope, we will be focusing on the unifying people through music, studying the lives of Bob Marley, Bob Geldof and Nina Simone.

We can all make a difference – no matter how small.

D&T

As designers we will be learning
cooking and nutrition. We will
a leaving meal to share

HOLA In Sp

Year 6 Summer 2024

Maths

We will be getting ready for year 7 by developing our problem solving and understanding of different ways. We will be solving maths problems and preparing for the Key Stage 3 curriculum.

Science

As scientists we will study electricity as well as animals including humans.

We will understand the precautions we must take when working with electricity. The children will also get the chance to observe the effects of differing volts in a circuit. We will conduct an investigation and learn how to write up our findings accurately.

Art

As artists we will explore the work of artist, Shepard Fairey and his techniques. We will develop our printing skills and investigate the difference between vandalism and art.

Computing

In computing we will be learning how to construct a digital 3D model of a physical object. We will also create a program to run on a controllable device.

PSHCE

Our Jigsaw themes are: celebrating difference and changing me.

Learning about... will be creating... share.

PE

As sports people we will learn and practice skills needed for cricket and athletics. The children will play team games and prepare for Sports Day.

Spanish

In Spanish we will learn key vocabulary and phrases linked to our Kaleidoscope theme.

Class Information Sheet

PE

Your child will have PE twice a week. Please make sure your child has sensible footwear on this day, any jewellery is removed and long hair is tied back.

6H—Monday and Wednesday

6KF— Monday and Wednesday

6G— Tuesday and Wednesday

Homework

The children will receive their homework on a Friday and it is to be handed back in by the following Friday. The homework will consist of words linked to our spelling themes and a piece of maths work. Topic related homework will be given out when necessary.

Reading

Please continue to read together daily.

Your child will continue to receive a decoding or book banded reading book and one to share from the library. The books will come with a reading diary where we encourage the children and adults to record each time they read. We are aiming for it to be recorded a minimum of 3 times a week.

Water

Please provide your child with a water bottle. This is to be taken home daily to be replenished.

Dates for the diary

Year 6 SATS—13th-16th May

Kaleidoscope begins— Monday 20th May

Kaleidoscope Grand Finale—Friday 7th June

Sports Day— Tuesday 25th June

Residential—Thursday 27th-Friday 28th June

Y6 Celebration Evening— Wednesday 17th July

Last day of term—Thursday 18th July

Secondary school transition weeks will take place during the summer term. Individual schools will be in touch to inform you of the dates.

Spelling Shed.

Your child has a free login to Spelling Shed. Use this website to help you practise spellings with your children in a fun and engaging way.

Timestable Rockstars

Don't forget Timestables Rockstars can be used to help your child to practise their timestables.
