

# Class Information Sheet

## Year 3

Summer Term  
2024

## Class Information Sheet

### PE

3B—Thursday and Friday

3D—Monday and Thursday

3BC—Tuesday and Friday

PE kit is not needed this term but we will be going outside so children need suitable footwear/a warm jumper or coat. Caps and sun cream will be needed if the weather is warm.

### Homework

Homework will be set on a Friday and is to be returned before the following Friday.

Homework will be linked to the current learning in maths and spellings taking place that week.

Please encourage your child to access TT Rockstars in addition to this.

### Reading

Please make sure your child brings their reading book to school everyday to ensure a school adult can listen to them and change their book when needed.

Children will also be bringing home a reading for pleasure book every week.

### Water bottles

Please ensure your child has a named water bottle in school every day. As the weather gets warmer—please send a cap and apply sun cream before school.

### Dates for the diary

Kaleidoscope—2 weeks beginning May 20th

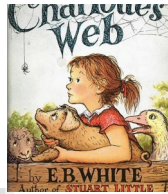

Kaleidoscope Grand Finale—June 7th

Sports Day - Tuesday 25th June

# Curriculum Overview– Year 3 Summer 2024

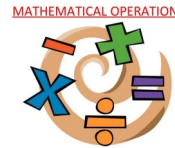

## English

This term we will be using the book Charlotte's Web to support our learning. We will develop our comprehension skills and write our own adventure story endings. Later in the term, we will be writing discussion and narrative texts.

## Maths

As mathematicians we will be exploring the methods we have learnt in addition, subtraction, multiplication and division. Later in the term we will move onto solving problems involving money and then working with different units of measure.

## Science

As scientists we will learn about plants and light. We will identify the needs of a plant, experiment on their requirements and make careful observations over time. We will investigate sources of light and examine shadows.

## Computing

In computing we will be investigating and using desktop publishing. We will use our editing skills to create a document. We will also be creating movement in code to design an online maze.

## Geography

As a geographer we will learn about biomes and climate zones. We will begin with exploring arid climate zones and then move on to look at tropical and polar regions. We will study the impact this has on a country.

## History

As a historian we will be going back in time to Ancient Egypt. We will explore what life was like at this time in history compared to now.

## Art

As artists we will look at art work inspired and created in Ancient Egypt. We will create our own sculptures in the same style.

## D&T

In design technology lessons, we will also be taking a closer look at Ancient Egypt. We will be asking how the Egyptians moved such heavy stones to create the pyramids and other structures.

## PE

As athletes we will learn and practice skills needed for athletics in preparation for sports day. We will also undertake some agility activities in badminton.

## PSHCE

This term's themes are celebrating differences and changing me.

## Music

As musicians we will be learning a range of songs for Kaleidoscope. We will also continue our recorder sessions in preparation for our summer celebration.

## MFL

In our Spanish lessons this term will be learning words and phrases associated with fruit and ice cream.

## RE

In RE we will be exploring a range of sacred places and the special events that take place within them.

## Kaleidoscope

### Unity

We will be exploring how people have influenced and made changes to the law around the Disability Act. We will have visiting artists and speakers.

We can all make a difference – no matter how small.
