### Calendar of Character

Focus for week beginning 3rd June

### Empathy

#### Key Points

- Putting yourself in someone else's shoes.
- You know what it must feel like for someone else.
- It is important to be empathetic because if we understand how other people are feeling, we can support them.

#### Discussion points / questions to consider:

- Can you name a time when someone has been empathetic towards you?
- Have you ever been empathetic to anyone else?
- What does 'putting yourself in someone else's shoes' mean?

#### Ideas from 4M

Annabelle—I was empathetic towards my mum and comforted her after our cat passed away.  
 Jago—Haris was empathetic towards me after I was hurt during a football match.  
 Hana—I listen to my friends when they're upset or frustrated and try to understand why they're feeling that way.
